About Us

United Academy PLT is a dedicated training and consultancy provider specializing in food safety, hygiene and halal practices for the food industry. We deliver structured, outcome-based training programs designed to enhance workforce competency, regulatory compliance and operational effectiveness within organizations.

Established with a strong commitment to improving food safety standards, United Academy PLT partners with food businesses to equip food handlers, supervisors and management personnel with practical knowledge and skills required for safe, hygienic and halal food production.

At United Academy PLT, we believe that food safety is the foundation of sustainable business growth. Our training programs are developed based on industry standards, regulatory requirements and practical workplace application to ensure measurable learning outcomes and continuous improvement.
